Headline:
Cloudy with some drizzle overnight. Sunny spells on Thursday afternoon.

This Evening and Tonight:
Cloudy across the region through the evening and overnight. The cloud may be thick enough to produce some patchy drizzle during the early hours, mainly in the south. Minimum temperature 12 deg C (54 deg F).

Thursday:
A cloudy start for most, with any drizzle quickly easing. Dry thereafter, with cloud breaking up to give some sunny spells by the afternoon. Cloud returns in the evening. Maximum temperature 19 deg C (66 deg F).

Outlook for Friday to Sunday:
Generally cloudy on Friday and Saturday with early drizzle possible; skies brightening by the evening. Turning windy on Sunday, with a chance of rain arriving later on.
